Dear Mr. Reeher:

Thank you for your HB 4212 application and offer to support our community with an emergency shelter. The City is pleased to offer a conditional approval of your shelter siting under HB 4212. The enclosed memorandum outlines the City's review of your application under HB 4212.

This approval of an emergency shelter application under HB 4212 (2020) is conditioned on the applicant securing all building permits and meeting any other City requirements. The City's approval of the application is based on the materials submitted by the applicant and criteria in HB 4212, and is not to be considered a general approval or authorization of the applicant's operations. The applicant is advised to perform its own due diligence to ensure that its operations comply with any other applicable laws, regulations, and standards. Divergence from the plans and materials submitted by the applicant may be grounds for revocation of this approval.

We appreciate the work you do for our community and wish you the best of luck in this next endeavor. Thank you.

Sincerely,

DocuSigned by:
